TEMPOFLUX 3 RECESSED WC FLUSH

DELABIE

DESCRIPTION

DELABIE Tempoflux 3 WC flushing is the ideal solution for any public building. It is designed to ensure that both hygiene and performance are achieved. With its recessed housing, it is easy to install and maintain, offering the perfect combination of convenience and performance.

DELABIE Tempoflux 3 WC flushing design:

- With 4.5L/3L and 6L/3L dual flush options
- Servicing access and easy maintenance
- On demand flushing for high challenging facilities

Compatible with thick wall finishes up to 120mm.
Integrated stopcock, flush volume adjustment, activation unit and cartridge are all accessible from the front.

NB -This is a high efficiency product. It should be paired with appropriate sanitary ware. Please speak with our sales team to ensure this will be suitable for your project.
