# WC-WFPD-X
WARDEN CARE WALL FACED PAN

DESCRIPTION

The WC-WFPD-P Warden care wall faced pan is a floor mounted high security toilet pan designed and tested to be vandal-proof and avoid ligature points wherever possible. Constructed with heavy duty 304 stainless steel. This pan meets the requirements of AS1428 accessible bathroom requirements.

Features include water efficient 6/3 flush, vandal and ligature resistant.

Ideal for use in applications requiring a high degree of vandalism protection including prisons and mental health facilities.

INSTALLATION

• Floor mounted.
• 3/6L flush meeting WELS 3 Star performance requirements.
